2009 CONCEPTS

*Our new line of upholstered furniture is just one of many new products we've added for 2009.*

## Precedent Contemporary Upholstery

*Selects Fusion! As The Dealer For Western Eagle County*

Precedent Contemporary furniture has produced superior upholstered furniture for over 30 years. Their proud tradition means checking and re-checking every joint and seam of every frame and fabric. Their dedicated craftsmen know that attention to detail results in superior products that will stand the test of time. The Precedent style

is timeless and fits easily into any décor.

At Fusion!, our Precedent display allows you to design and customize your selections with a variety of seating components, arm styles, back styles, tailoring and base options.

We can download and print the components to help you with your ideal

design. Fabric samples are also available for your review and selection.

So, come see us at Fusion! for all your upholstery needs, from dining chairs to sectionals, couches, and accent chairs.

We make it easy for you to design the perfect furniture for your personal style and needs.
